SRI—Solar Reflective Index, these are not paint codes. Oil canning is not a cause for material rejection. These printed chips provide a close representation of the colors. Metal samples are available upon request. See inside for panel, gauge & color availability.

PVDF is a fluoropolymer that is manufactured under the trademarked names Kynar 500® and Duranar (PPG). Paint finishes containing a minimum 70% PVDF resin meet the high-performance weathering criteria established by the American Architectural Manufacturing Association and are allowed to carry the Kynar500® trademarked name. Zinalume & Zinalume® Plus are registered trademarks of Bluescope Ltd. Galvalume® is a registered trademark of BIEC International, Inc. Vintage® is a registered trademark of Steelscape, Inc. Kynar® and Kynar 500® is a registered trademarks of Arkema, Inc.

Panels shown in this brochure

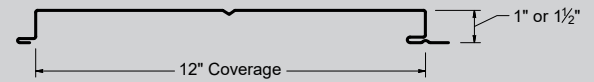

Easy-Lock™ / StreamLine™

Panel Options: Striations, Accent Ribs

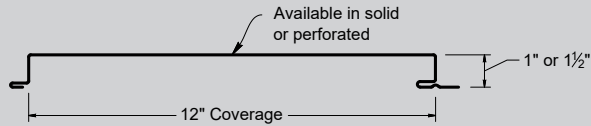

SmoothWall™

Panel Options: Single or Double V-Grooves or Striated

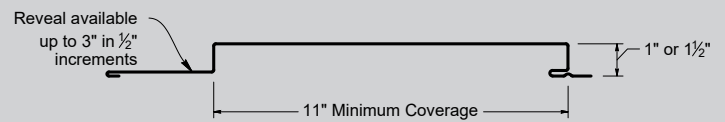

Lifetime Soffit™

Panel Options: Single or Double V-Grooves or Striated

Shadowline™

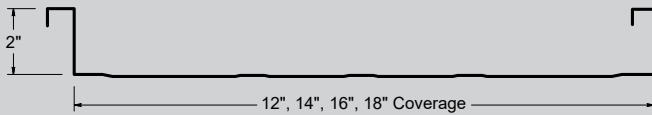

Panel Options: Single or Double V-Grooves or Striated

Other popular panels offered by Taylor Metal Products

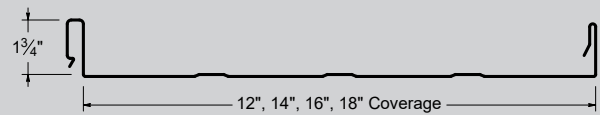

MS-200™

Panel Options: Striations, Accent Ribs, Flat Pan

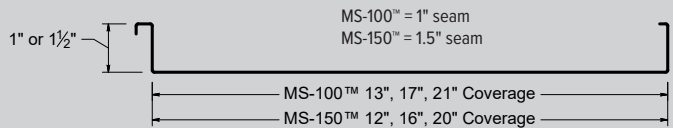

Versa-Span™

Panel Options: Striations, Accent Ribs, Flat Pan

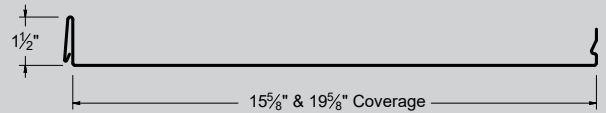

MS-100™ / MS-150™

Panel Options: Striations, Accent Ribs, Flat Pan

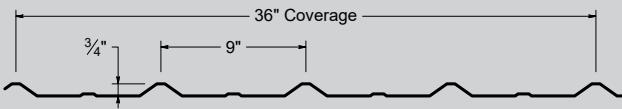

Slim-Lock™

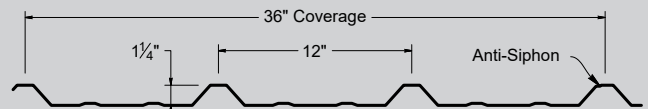

Panel Options: Striations, Accent Ribs, Flat Pan

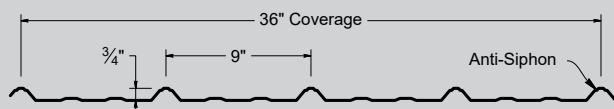

T-3™

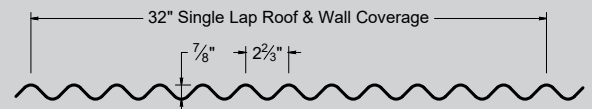

PBR

Tuff Rib

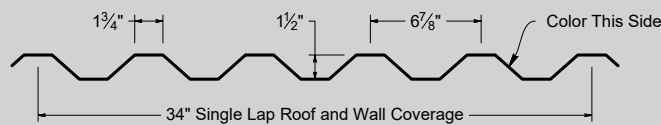

7/8" Classic Corrugated™

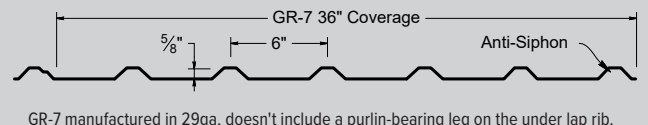

HR-34™

** Disclaimer: **Vintage®** is an innovative coating process over a G-90 metallic coated surface. The coating process creates shade variations from light to dark, the lighter shade exhibiting a grey tone while the darker shade exhibits a bronze or brown tone. Vintage® comes with a standard 20 year warranty. Warranty can vary by environment. See TMP's website for more information. TMP required signing off on the current batch sample from which your order will be produced.

** Disclaimer: **Zincalume® Plus / Galvalume® AZ-55** is a 55% aluminum, 45% zinc metallic coating over steel and has no finish warranty - 25 year perforation warranty provided

** Disclaim: **Smoothwall™** is not available in 26 gauge

** Disclaimer: **Smoothwall/Soffit** is not available in aluminum
